

Yearly International Seminar

October 3rd 2008

Danish Psychotherapeutic Society for Psychologists DPSP has the special honour of presenting for the first time in Denmark Master Therapist by the American Psychological Association:

Cloé Madanes

Licenciada i Psykologi, University of Buenos Aires. Doctorate in Humane Letters, honoris causa, University of San Francisco. President for The Robbins-Madanes Center for Strategic intervention, CA, og President for The Madanes Institute CA.

Cloé Madanes is a world renowned systemic innovator and teacher of Strategic Psychotherapy and Short Term Psychotherapy, recipient of several awards for outstanding contributions to the profession, keynote presenter at international conferences and Author of the Classics: *-Sex, Love and Violence - Strategies For Transformation -The Therapist as Humanist, Social Activist, and Systemic Thinker -Strategic Family therapy -Behind the One-Way Mirror -The Secret Meaning of Money -The Violence of Men.*

"Strategic Intervention and Human Needs Psychology are based on the conviction that dramatic change for the better is possible, can happen quickly, and that therapists can foster such change, that free will and a system that follows its own rules exist simultaneously, and that the human spirit has the capacity to triumph in the face of all kinds of adversity. This seminar provides an opportunity to learn what such conviction means in theory and action." *Cloé Madanes*
