

The wellcome speech of DPSPs chairmann Werner Regli at the DPSPs Seminar the 2nd of December 2005 :

Stern back in town.

An event of the year for our members and our Society.

Welcome to Copenhagen Daniel Stern.

We are proud and greatfull that you are here to-day.

We are all looking forward to have a lot of inspiring moments together with you.

Professor Stern is a Honorary Professor of Psychology at the University of Geneva, Schwitzerland.- Adjunct Professor of Psychiatry, Cornell University Medical School, New York.

Lecturer at the Columbia

University Center for Psychoanalysis.

Daniel Stern is the author of several hundred journal articles and chapters and of five books, most of which have been translated into more than ten languages.

His latest book "The Present Moment", now also translated into danish, will naturally be a vital subject for to-day.

The Department of Psychology in Denmark has last year 2004 nominated Professor Daniel Stern doctor of honor at the University of Copenhagen in recognition and admiration of his creative and essential work which is well known far beyond the limits of Psychology.

Once again Daniel Stern welcome among us.
